**3rd Grade  
Mandatory Parent  
Meeting  
(2nd meeting)**

Dear Parents:

We were very disappointed in our 1st Parent Meeting turnout. Out of 70 students, 10 came and stayed. Student grade and behavior did not change, it got worse. Therefore we are having another and final **MANDATORY PARENT MEETING** Wednesday, October 16 for all 3rd grade parents. This meeting is about student behavior during the day and the consequences your child will face if they continue to be disruptive. If you are unable to attend, please send someone that can get the information and give it to you. **This is a serious meeting.** Please plan to attend.

**\*IMPORTANT NOTICE\***

If a parent, guardian, or someone to represent you does not come, your child will be **suspended on Thursday.**
